

“Brands for Education” is offering this opportunity for you to leave your “Brand” permanently embedded in the floor of the Greg Welch Gymnasium.

After the completion of the building and the installation of the gym floor, your brand, business logo, or family name will be added to the floor prior to application of the final seal.

Each corner of the gym will be graced by a cross bearing the names of one of the four girls, Staci, Mandi, Lacey and Whitney. Your “Brand” will help to connect the crosses in an unbroken link of friendship.

This will be a unique way to personalize your tribute.

WCS is a non-profit (501(C)3) organization. All donations are tax-deductible.

Complete attached card and return to address below with your donation:
