

Weatherford Christian School was founded in 2001, and is a non-denominational, Christ-centered, educational facility enrolling students in Preschool through the 12th grade. Emphasizing personal development, WCS strives to provide an education of high academic quality and motivates each student to perform at his or her maximum potential.

WCS is a non-profit institution led by an Independent Board of Directors. WCS admits students of any race, color, national and ethnic origin to all the rights, privileges, programs, and activities offered to students at the school.

Academic Program

WCS provides a challenging preparatory academic program that includes technology training, foreign language, and fine arts. Self-discipline and clear, concise expectations are emphasized in an atmosphere of mutual respect. Bible is a part of the daily curriculum and all grades participate in chapel services twice a week. Annual standardized testing is administered using the Iowa Test of Basic Skills (ITBS).

Service

Learning to serve and give back to the community is an important part of a well rounded Christian education. Students collect canned food monthly and deliver it to the Center of Hope. They also adopt families for Christmas and participate in other class projects that help them learn the value of service. The secondary students, as of the 2007/2008 school year, are also required to complete a minimum of 12 service hours annually.
